

# Customer sign up page user story

story #1	customer sign up page
As a	Customer
I want	to be able to sign up a new account
So that	I can possess an account to log on to the website
Acceptance criteria	<b>given</b> I don't have an account <b>when</b> I click a button <b>then</b> a sign up form pops up which contains necessary enquiries like email and password(more optional)
Priority	High
Effort	High
