

Story #1	<b>Add/edit/remove employees working times(Admin)</b>
As a	Admin
I want	to sign into the company website
So that	I add/edit/remove employee working times
Acceptance Criteria	<p><b>given</b> that I am an admin and I'm on the login page</p> <p><b>when</b> I type in the username and password and click on "login in"</p> <p><b>then</b> the system displays the admin dashboard, where I can add/edit/remove employees.</p>
