Neil Kennedy User Story - View Bookings(admin)

Story #	Admin wants to view all bookings for your company
As a	Admin
I want	View booking summary for the last 7 days(date sorted)
So that	I can see the usage of my companies resources
Acceptance Criteria	**given** when an admin clicks on 'view booking summary' in the dashboard **when** an admin is logged in and their session is still active **then** we display a list of all bookings in the last 7 days(date sorted) **given** when an admin clicks on 'view booking summary' in the dashboard **when** an admin is no longer logged in or their session is inactive **then** we return to the main page with a session expired error
priority	normal
effort	normal
